

Renewable Energy Certificate PV System Assignment Form

About RECs:

Renewable Energy Certificates (RECs) can be created by owners of solar PV (Photovoltaic) systems. System owners can assign the right to create RECs to registered agent DCFX Solar Systems Pty Ltd. RECs are produced under the government's Renewable Energy Target (Renewable Energy Electricity Act 2000) to encourage renewable energy production and provide an incentive for Australians installing renewable energy systems. For more information visit www.pyramidpower.com.au.

RECs can only be assigned for PV Systems with a rated output of not more than 100 kW, or a total annual output of less than 250 MWh.

Customer (Owner) Details

First name(s): _____ Family name(s): _____
(if company) Company Name: _____
Postal Address: _____
Suburb: _____ State: _____ Postcode: _____
Phone(home/business): _____ Mobile: _____ Email: _____

PV System Details

Installation address
(if different to above) _____
Panel/system brand: _____ Panel model: _____
No. of panels: _____ Watts per panel: _____ Total system capacity: _____
Is the system grid connected? Yes No
Panel serial numbers: _____
Attach separate page for more serial numbers

Have you received or been approved for a rebate or financial assistance (including Solar Credits) for any small generation unit at this address?
(includes Solar Homes and Communities Plan, Photovoltaic Rebate Program, Renewable Remote Power Generation or National Solar Schools Program) Yes No

Is this premises **NOT ELIGIBLE** for Solar Credits (REC multiplier)? (If you answer **NO** then you are conforming that the premises **IS** eligible for Solar Credits).
(Please refer to SGU Owners Guide <http://www.orer.gov.au/sgu/index.html>) Yes No

PV System Installer Details

Installation company: Pyramid Power Company
Address: 35 Redfern Close, Pambula, NSW, 2549
Installer name: Stephen Garrett CEC accreditation number: F582
Phone: 02 6495 6922 Email: info@pyramidpower.com.au
Is this the first PV System installed at this address? Yes No – please state where the new PV System is located in comparison to the old PV System:
Please provide map and/or photos if deemed useful.

GST Declaration

Personal The system is owned by an individual who is not registered for GST and the system is for personal use.
 Business The system is owned by a business that is registered for GST and will submit a valid tax invoice for GST purposes.
Business Name: _____ ABN: _____

Privacy Declaration

All information on this form is treated as confidential. DCFX Solar Systems Pty Ltd will not release information to anyone other than as required to create and register the certificates and to meet regulatory requirements.

REC Calculation

The number of RECs depends on the system capacity and solar zone rating. Solar Zones are determined by the installation postcode. Refer to www.pyramidpower.com.au/solarzones for details. Systems that are eligible for Solar Credits are able to create additional RECs. Determine if your system is eligible for Solar Credits at <http://www.orer.gov.au/sgu/index.html>.

Table symbols indicate: 'X' - multiplication of numerical factors, '=' equal.

Table 1: If you are **NOT** eligible for Solar Credits then use the following REC calculation table:

System capacity	kW	X	Solar zone rating ⁽ⁱ⁾		X	Deeming period 1, 5 or 15yrs ⁽ⁱⁱ⁾	
No. of RECs		X	REC value	\$	=	Amount payable	\$

Table 2: If you **ARE** eligible for Solar Credits and the rated output of the system is **1.5 kW or below** then use the following REC calculation table:

System capacity	kW	X	Solar zone rating ⁽ⁱ⁾		X	Solar Credit Multiplier value		X	Deeming period 1, 5 or 15yrs ⁽ⁱⁱ⁾	
No. of RECs		X	REC value	\$	=	Amount payable	\$			

Table 3: If you **ARE** eligible for Solar Credits and the rated system is **over 1.5 kW** then use the following REC calculation table:

1.5 kW	X	Solar zone rating ⁽ⁱ⁾		X	Solar Credit Multiplier value		X	Deeming period 1, 5 or 15yrs ⁽ⁱⁱ⁾	
Plus (+)									
System capacity (minus 1.5 kW)	kW	X	Solar zone rating ⁽ⁱ⁾		X	Deeming period 1, 5 or 15yrs ⁽ⁱⁱ⁾			
No. of RECs		X	REC value	\$	=	Amount payable	\$		

No. of RECs must be rounded down to the nearest whole number if greater than 1 MWh

Notes:

(i) Solar Zone 1=1.622, Zone 2=1.536, Zone 3=1.382 (eg Cooma, Batemans Bay, Canberra), Zone 4=1.185 (eg Merimbula, Bega, Jindabyne, Moruya, Narooma)

(ii) 15 years of RECs can only be claimed if the system was installed in the last 12 months by a BSCE (CEC) accredited installer

Selecting a 15 year deeming period will optimise your Solar Credit benefit as they may only be claimed once regardless of the deeming period selected.

Owner declaration

I hereby declare that:

- The above information is correct and I am the legal owner of the system referred to in this form.
- I understand that by signing this form I am assigning the right to create Renewable Energy Certificates (RECs) and any other environmental rights associated with these RECs for the above system to DCFX Solar Systems Pty Ltd.
- I understand that by choosing DCFX Solar Systems Pty Ltd I am unable to sell or assign anyone else the right to these certificates.
- If my assignment is invalid or DCFX Solar Systems Pty Ltd is unable to create or register the RECs then I will repay DCFX Solar Systems Pty Ltd or the installer/supplier for the benefit received.
- I understand that either the Office of the Renewable Energy Regulators (ORER) or DCFX Solar Systems Pty Ltd have the right to inspect my system within 5 years of the date of this assignment.
- I understand that the information on this form may be made available to government regulators for the purpose only of creating and registering the certificates and for compliance purposes.
- I must retain proof and receipts of the installation date for the life of the RECs.

Payment Details

- Payment is to be made to the installer/supplier in exchange for the point of sale discount received by the system owner
 The system owner

Payment Type: electronic cheque (incurs additional time to process)

Bank account name: _____

BSB: _____ - _____ Account No: _____

Email (required for remittance advice): **info@pyramidpower.com.au**

Customer Approval

Signature: _____ Date: _____

Please include proof or receipt of system purchase with this form
